Code of Conduct

- Things that do not belong to us are never touched.
- Calling people names can be hurtful, therefore we will be polite.
- We keep ourselves safe by not climbing onto things like chairs because that is dangerous.
- Running and throwing things in the Playhouse we avoid at all times.
- We will respect other people at the Playhouse. This makes it a nicer place to be.
- Hurting anybody upsets everybody at the Playhouse so we do our best to prevent this from happening.
- It's not very nice for people to hear swearing or bad language so we avoid this kind of behaviour at the Playhouse.
- We will respect and listen to what the Playleaders and our friends say.

If your children are going to attend PLEASE read this through with them before they attend.

Playhouse Constitution

To provide a place where children can meet *before and after school*, where they will be stimulated and encouraged to reach their full potential.

We strive to develop a real partnership with parents by offering a positive service for childcare. Where parents / carers will feel that their children are being well looked after as well as learning through play.

We provide a safe environment where children are given more opportunities to develop themselves through play in order to interact with peers and adults.

At the Playhouse we comply with Playhouse policies, Equal Opportunities, Health and Safety Laws, Child Protection rules, Discipline and complaints procedures, as well as encouraging children to take a full and active part in the life of the Playhouse.

Parents must wait outside the Playhouse and the book will be brought to you to sign children in and out of club. Please wait outside of the Playhouse for assistance from the staff. Thank you for your support in this matter.

So to sum up:-

HAVE FUN AND MAKE NEW FRIENDS !!!
