

Year 3 Autumn 2025 Newsletter

Hello and welcome to Year 3,

Our topic is Ancient civilisations focusing on the concepts of power and conflict.

In science, we will be learning about light, and forces and magnets.

In maths, we will be learning our 2, 3, 4, 5 and 10 times tables. Please ensure these are practised regularly with your child.

We will also be learning about place value, adding and subtracting numbers to 1000.

We will be learning more about fractions and how to add and subtract them.

In English, we will be learning how to write descriptive paragraphs using capital letters, full stops, commas and exclamation marks.

We will be working on joining our handwriting neatly and correctly.

We will be learning how to spell all our year 3 and 4 words correctly.

In PE, we will be learning gymnastics, dance and games. Please make sure you have your correct PE kit each week.

Homework is very important in year 3. We expect pupils to complete homework on time, each week, and to change their own home reader.

We will have a big focus on reading this term and our class authors are Joe Todd-Stanton and Tom Percival.

In year 3:

We always try our best.

We always follow instructions.

We are polite.

PE Day - Mondays.

Homework - Will go out on Friday and due back the following Wednesday.

In art, we will be printing Ancient Egyptian cartouches and in Design Technology, we will be exploring strengthening bridges.
